### **2015 Brauneberger Kammer \*Lage im Alleinbesitz\* Riesling Auslese**

The 2015er Brauneberg Kammer Auslese was made from fruit picked at a whopping 117°Oechsle and was fermented down to fully sweet levels of residual sugar (97g/l). It offers a rather complex and subtly ripe nose made of pineapple, coconut, almond cream, aniseed herbs, and slate. The wine is beautifully balanced on the palate, where zesty elements provide the right balance to creamy exotic fruits, almond, and honey. It is still a tad sweet in the finish but a gorgeously zingy feel of acidity brings the necessary focus to the aftertaste. This is a gorgeous Auslese. 2025-2045
